

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at <http://books.google.com/>

*Molcott fund.*

\* \* Practically there is but little difference between borrowing and stealing books. The thief looks upon those which he has purloined as his property, and never once thinks of restoring them to their rightful owner ; and the borrower, though he may sometimes, perhaps, have that intention, very rarely carries it into effect. The latter, however, is by far the more dangerous of the two ; it being infinitely less difficult to defend oneself against petty larceny, than against the solicitations of a friend begging for the loan of a book.—ANON.

## CATALOGUE, &c.

- Meursii Elegantîæ Latini Sermonis. Barbou. Parisiis, 1757.
- ————— 2 vols. Londini, 1781.

N.B. There can be no reasonable doubt that Nicolas Chorier, an attorney of Grenoble (born 1609, died 1692), was the author of this most licentious but ingenious and admirably-written work. (Barbier, Dictionnaire des Anonymes, I., p. 18, 2<sup>nd</sup> edition, Biographie Universelle, Art. Chorier, &c.) There is a note, singularly characteristic of the author, on this book in Dr. Parr's Catalogue, p. 506.

AUCTORES CLASSICI, post 8vo, 12mo, et infra :—

- C. Vell. Paterculi Historiæ Romanæ libri II., cura S. A. Philippe. Barbou. Parisiis, 1754. Old red morocco, ex.

As might have been expected from the learning and research displayed in the works of Snelling, this Catalogue contains a very extensive and valuable collection of works on coins, medals, commerce, finance, and political economy : And it also contains, what one would hardly have expected to find in it, a great number of books in different languages on tactics, the art of war, and military subjects generally ! It only brought £298 ; but were such a collection now to be disposed of, it would bring several thousand pounds.

## BIBLIOGRAPHY, Works relating to, viz. :—

- Catalogue of the Extensive and Valuable Library of Thomas Maitland, Esq. (Lord Dundrennan), with sundry Additions. 8vo. Edinburgh, 1851.
  - Catalogue of the English portion of the Library of the Venerable Francis Wrangham, M.A. (Only 70 copies printed.) 8vo. Malton, 1826.
  - Notices and Documents illustrative of the Literary History of Glasgow during the greater Part of last Century. 4to. Glasgow, 1831.  
This work is, in truth, little more than a history of Robert and Andrew Foulis, the celebrated printers to the University of Glasgow. It contains a catalogue, arranged in chronological order, of the different works that issued from their press during its continuance, that is, between 1740 and 1777.
  - Bibliotheca Americana : A Chronological Catalogue of Publications relating to America. 4to. London, 1789.

Remarks on the Study of the Civil Law, occasioned by Mr. Brougham's late Attack on the Scottish Bar, by James Browne, LL.D., Advocate, 1828.</li> </ol> | } | 8vo. 1 vol. |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---|-------------|

The last-mentioned Tract contains the controversy which grew out of a statement made by Mr. (now Lord) Brougham, reflecting on the ignorance of the Civil Law displayed by the Bar of Scotland. It is believed that the papers which support the learned Lord's view of the matter were written by James Brougham, his Lordship's brother, and that they had the benefit of his supervision. Browne was assisted by Dr. Irving.

| 4. The Petition and Remonstrance to Parliament of the Governor and Company of Merchants of London trading to the East Indies (by Mun), 1641. |                                        |
| 5. The East India Trade a most Profitable Trade to the Kingdom, and best secured and improved in a Company and a Joint Stock, 1677.          |                                        |
| 6. A Treatise on the East India Trade. Printed for the Honourable the East India Company. 1681.                                              |                                        |
| 7. A Supplement to ditto, 1689.                                                                                                              |                                        |
| 1. Advantages of the East India Trade to England Considered, &c. 1720. (Originally published 1700.)                                          | } 8vo. 1 vol.<br>Half calf,<br>Hayday. |
| 2. A Collection of Papers relating to the East India Trade, 1730.                                                                            |                                        |

The first Tract in this volume is at once most able and original. Two MSS. Notes of the Right Hon. T. B. Macaulay are inserted, in one of which he says, "This Tract" (the first) "is excellent, first-rate. I have seen nothing of that age equal to it. Davenant's two treatises on the same subject are contemptible in comparison."

## IRELAND, Works on, viz.—

- Natural History of, being a True and Ample Description of its Situation, Greatness, &c., by Gerard Boate, M.D. 12mo. London, 1652.
- A View of the State of Ireland, by Mr. Edmund Spencer. 12mo. London, 1715.
- The whole Works of Sir James Ware concerning Ireland, revised and improved by Walter Harris, Esq. Folio. 3 vols. in 2. Dublin, 1739–1747. Russia.  
 N.B.—This is a very complete copy. Besides Harris's Dedication to the Archbishop of Armagh, and Parry's Latin Epistle to Ware, it contains the Tract of Harris, consisting of 150 pages, entitled "Hibernica, or some Ancient Pieces relating to Ireland, not hitherto published," which is found in very few copies.  
 The gift of my esteemed friend Mr. Thom, of Dublin, the author and publisher of the most valuable almanac that has ever been printed.
- The Case of Ireland being Bound by Acts of Parliament in England Stated, by William Molyneux, Esq. 1698. With an Answer, 1698. In 1 vol. 8vo.
- Mr. Molyneux's Work, with a New Preface. 8vo. London, 1770.
- Historical Tracts on Ireland by Sir John Davies, with his Life, by G. Chalmers. 8vo. London, 1786. Russia.
- Davies' Tract, showing why Ireland was never brought under the Obedience of the Crown of England. 12mo. London, 1747.
- The Present State of Ireland, with some Remarks upon the Ancient State thereof. 12mo. London, 1673.
- Sir William Petty's Political Survey of Ireland, with Verbum Sap. 2d edition. 8vo. London, 1719.
- Prior's List of Absentees from Ireland. 2d edition. 1729. And same Tract, 6th edition, with Additions, 1783. In 1 vol. 12mo.
- An Essay on the Trade and Improvement of Ireland, in Two Parts, by Arthur Dobbs, Esq., with MS. Notice of Author. 8vo. Dublin, 1729–1731.
- Reflections and Resolutions Proper for the Gentlemen of Ireland, by Samuel Madden, D.D. (The Reprint.) 8vo. Dublin, 1816.
- The Ancient and Present State of the Counties of Waterford, Cork, and Kerry, the original editions; by Charles Smith, M.D. 8vo. 4 vols. Dublin. V.Y.
- A Tour in Ireland in 1775, (by — Twiss.) 8vo. London, 1776.
- Letters of Hugh Boulter, D.D., Primate of All Ireland, containing an Account of the most Interesting Transactions therein, from 1724 to 1738. 8vo. 2 vols. in 1. Oxford, 1769–70.
- A Philosophical Survey of the South of Ireland. 8vo. London, 1777.
- Tour in Ireland in 1776, 1777, 1778, and 1779, by Arthur Young, Esq. 2d edition. 8vo. 2 vols. London, 1780. Calf ex. Hayday, with Arrowsmith's Map of Ireland inserted.
- The Antiquities of Ireland, by Edward Ledwich, LL.D. 2d edition. 4to. Dublin, 1803. Calf ex. Hayday.
- A Statistical and Historical Inquiry into the Progress and Magnitude of the Population of Ireland, by Thomas Newenham, Esq. 8vo. London, 1805. Calf ex. H. & B.

## IRELAND, Works on, viz.—

- A View of the Natural, Political, and Commercial Circumstances of Ireland, by the same. 4to. London, 1809.
- An Account of Ireland, Statistical and Political, by Edward Wakefield. 4to. 2 vols. London, 1812.
- Ireland in 1834, by H. D. Inglis. Post 8vo. 2 vols. London.
- Ireland and its Economy, by J. E. Bicheno, Esq. 8vo. London, 1830.
- Ireland before and after the Union, by Montgomery Martin. 8vo. London, 1843.
- Condition and Prospects of Ireland, by Jonathan Pim. 8vo. Dublin, 1848.
- The Industrial Resources of Ireland, by Sir Robert Kane. 2d edition. 8vo. Dublin, 1845.
- Beaufort's Memoir of a Map of Ireland. 4to. London, 1792.
- The History of Ireland, from the Invasion of Henry II., by Thomas Leland, D.D. 4to. 3 vols. London, 1773.

The above collection of scarce and valuable Tracts was formed by Thomas Snelling, Esq., the learned author of the Treatises on the Coins and Coinage of England, &c., being No. 514 in the catalogue of his books sold in 1774. It subsequently belonged to George Chalmers, Esq., author of Caledonia, who has supplied some information in regard to the authors of some of the Tracts. I have also added one or two observations.
